DISC MCW

Miniature Wireless Ceiling Mount PIR Detector

- Provides 360° detection reliability, with minimum false alarms
- Easily installed on any ceiling up to 3.6m (12ft) high and provides floor coverage of up to 11m (36ft)
- Wireless connectivity enables fast and easy installation
- Elegant miniature design blends seamlessly with any décor
- Efficient power management for prolonged battery life
- Reports tamper events
- Compatible with PowerMax® systems and PowerCode™ receivers
- Complies with international standards: CE, RSS-210 (Canada), CFR 47 Part 15 (USA)

DISC MCW is designed to monitor large residential rooms, light commercial facilities and rooms where the furniture layout may block a wall-mounted detector's line of sight. The DISC MCW combines state-of-the-art optic design with advanced detection algorithms. It provides outstanding, 360° detection performance with minimum false alarms and supreme reliability.

Specifications:

Type:	Ceiling mount
Battery type:	3V, CR-123A Lithium battery
Battery life:	3 years (with typical use)
Coverage:	360° floor coverage of up to 11m (36ft)
Mounting height:	Up to 3.6m (12ft)
Operating temperature:	-10° to 50°C (14° to 122°F)
Weight:	64gr (2oz)
Dimensions:	86 x 25mm (3.4 x 1in)
