The letter to Shareholders and to holders of depositary receipts is set out in full below:

1. INTRODUCTION

The Company has today announced its intention to seek the cancellation of listing of its Shares on the Official List and the trading of its Shares on the main market of the London Stock Exchange, and has also today announced a trading update.

Under the UK Listing Rules, the Delisting is conditional upon Shareholders' approval being obtained. The Shares will continue to trade on the Tel-Aviv Stock Exchange after the Delisting takes effect. Accordingly, the purpose of this Circular is to provide Shareholders with information on the proposed Delisting and the reasoning behind it and to seek the requisite approval of the Delisting at a General Meeting of the Company, notice of which is set out on page 7 of this Circular, and which shall be held at 12:00 noon on 4 February 2010.

2. BACKGROUND TO AND REASONS FOR THE DELISTING

As previously announced by the Company, since February 2009, the percentage of Shares of the Company in public hands has fallen below the 25 per cent. threshold required by LR 6.1.19R of the UK Listing Rules. This resulted in the non-compliance by the Company with the UK Listing Rules (LR 9.2.15R). Since then, the Company has been trying to find a way to remedy such non-compliance, but with no success.

Under the UK Listing Rules, the Financial Services Authority may cancel the listing of securities where it appears to the Financial Services Authority that the Company no longer satisfies its continuing obligations for listing (including the requirement set out in LR 6.1.19R). Therefore, as the Company considers the Delisting unavoidable, your Board unanimously recommends that the Company seeks the Delisting and has resolved to convene the General Meeting, a notice of which is set out on page 7 of this Circular.

It is anticipated that the last day of trading in the Shares on the London Stock Exchange's main market for listed securities will be 4 March 2010, with cancellation of listing on the Official List taking effect at 8.00 a.m. on 5 March 2010, being not less than 20 Business Days following the passing of the Delisting Resolution as required by the UK Listing Rules.

The Company will continue to maintain its listing and to be traded on the Tel-Aviv Stock Exchange.

3. IMPLICATIONS OF THE DELISTING FOR SHAREHOLDERS AND RISK FACTORS

Conditional upon the Delisting Resolution being approved by the Shareholders, the Company will give notice of its intention to cancel the listing of the Shares on the Official List and the trading of the Shares on the main market of the London Stock Exchange. Following Delisting, the Company will no longer be subject to the UK Listing Rules as well as any other rules and regulations applying to companies with securities listed on the Official List and traded on the main market of the London Stock Exchange and Shareholders will no longer be entitled to the rights and protections under such rules and regulations.

The Company will, however, continue to be listed on the Tel-Aviv Stock Exchange and maintain its IL Principal Register as the principal register and Shareholders will be able to continue trading their Shares on the Tel-Aviv Stock Exchange subject, in the case of Shares registered on the UK Branch Register, to the transfer of their Shares to the IL Principal Register. There will be no facility to trade shares on the London Stock Exchange following the Delisting and those Shareholders who may be affected should contact their stockbroker for further information as to how to trade on the Tel-Aviv Stock Exchange. Additionally, the Company is in discussions with an authorised Israeli broker for the purpose of providing brokerage account facilities for Shareholders, should they so wish; details of this facility will be made available in due course and will be available, once formalised, from the Company's website at www.visonic.com. The Company's prevailing share price (in New Israeli Shekels) may be accessed from the Tel-Aviv Stock Exchange website at www.tase.co.il. Shareholders should check with their tax advisers regarding any tax implications relating to their particular situation. Section 5 below sets out details on the removal of Shares which are currently registered with Computershare. Shareholders who do not have any Shares registered with Computershare are not required to take any action with respect to the removal of Shares and section 5 below is for your information only.

Shareholders' voting rights and entitlement to dividends will not be affected by the Delisting.

All Shareholders are entitled to vote on the Resolutions. If the Resolutions are approved by Shareholders at the General Meeting, the Company will make the required announcements to the London Stock Exchange and the Tel-Aviv Stock Exchange.

4. GENERAL MEETING

In order to cancel the listing of the Shares on the Official List, the UK Listing Rules requires the Delisting Resolution to be approved by 75 per cent. of votes cast by Shareholders voting at the General Meeting, in person or by proxy.

The Resolution to amend the Articles of Association relates to the amendment of certain specific UK related clauses which will become irrelevant if the Delisting Resolution is approved by the Shareholders at the General Meeting, since the Company's Shares will only be listed on the Tel-Aviv Stock Exchange. The Resolution to amend the Articles of Association, which is conditional upon approval of the Delisting Resolution, also requires the approval by 75 per cent. of votes cast by Shareholders voting at the General Meeting, in person or by proxy.

The proposed amendments to the Articles of Association are set out below:

- **Clause 1: "Definitions"**, the definition of "London Stock Exchange" and "United Kingdom" will be omitted⁴
- **Clause 28: "Sale Shares of Untraced Members"**,
 - In sub-clause 28.1, the word: " London" will be omitted.
 - In sub-clause 28.1.5, the words: "in English in a national newspaper widely available in the United Kingdom" will be omitted.
- **Clause 30: "Right to Suspend Posting of Notices, Etc"**, the words: "or the United Kingdom" will be omitted.
- **Clause 33: "Convening a General Meeting"**
 - In sub-clause 33.1, the words: "in the United Kingdom" will be omitted.

- In sub-clause 33.3, the following paragraph will be omitted: "provided that, for so long as a majority in number of the Shareholders are persons whose registered addresses are in the United Kingdom or for so long as the shares of the Company are solely listed on the stock exchange or investment exchange in the United Kingdom and not on a stock exchange or investment exchange outside the United Kingdom, any such General Meeting shall be held within the United Kingdom".
- **Clause 34.3** (which relates to notice to shareholders), the words: "simultaneously (i) in English in one way widely available national newspaper in the United Kingdom and (ii)" will be omitted.
- **Clause 41.12.8** (which relates to the dismissal of directors), the words: "the United Kingdom" will be omitted.

The above-mentioned clauses in the Articles of Association, including the proposed amendments to the Articles of Association will be available for inspection at the offices of Hudson Sandler, 29 Cloth Fair, London EC1A 7NN England, and at the registered offices of the Company, 24, Habarzel St., Tel-Aviv, Israel, and at the Company's web-site at: www.visonic.com/news-media, from the date of this document until the close of the General Meeting. A notice convening the General Meeting, at which the Delisting will be proposed, is set out on page 7 of this document.

5. REMOVAL OF THE UK BRANCH REGISTER

(in relation only to Shareholders on the UK Branch Register or holders of depository interests)

It is the intention of the Company, upon the approval of the Delisting by Shareholders, to close the UK Branch Register and to terminate the depository interest facility created under the Deed Poll dated 25 March 2004. Each Shareholder who holds Shares that are registered with Computershare on the UK Branch Register will be entitled, upon transfer of their Shares to the IL Principal Register, to receive one share certificate representing such Shares, which shall be despatched by the Israeli Share Registrar to the relevant Shareholders by ordinary mail, at the risk of the Shareholder, to the address appearing on the records of Computershare. Holders of depository interests will be contacted following approval of the Delisting, by mail, by Computershare with details of the process arranged by the Company for removal and transfer of Shares to the IL Principal Register.

The IL Principal Register will be wholly held in Israel and maintained by the Israeli Share Registrar, Hevra Lerishumim Shel Bank Leumi Le Israel in Tel-Aviv, in respect of all the Shares in the Company. Following closure of the UK Branch Register all Shareholders shall receive dividends, if declared, in Israeli Shekels.

It is expected that the depository interest facility will terminate on or around 12 March 2010 and that the UK Branch Register will close on or around 26 March 2010.

Shareholders who have any queries as to the procedures governing the transfer of Shares to the IL Principal Register and the issue of new share certificates may contact the registrars or the Company using the contact details on the next page, for further information.
